Hi Dan &amp; Marisol,

I hope you are both doing well. As you know, area 1 of the Walk of Fame restoration is well under way. The BID has been tasked with replacing the trees at Sunset & Vine (4 Jacarandas and 3 Mexican Fan Palms). We are working on getting the Jacarandas donated, but we need to purchase the palms.

Traditionally, the adjacent property owner has purchased or made a contribution to new trees outside their property. The area 1 restoration primarily benefits Chase bank, so we would like to reach out to propose potentially splitting some of the purchasing costs. Kerry would like to reach a higher-level representative than those we've been working with on restoration logistics. Do you have an executive level contact at Chase we can contact?

Thank you in advance!

Best regards,
